ABOUT

Computer Engineering undergraduate with strong fundamentals in Core Java, OOP, and C. Experienced in building desktop GUI applications including interactive cinema booking systems using NetBeans and Swing. Completed an Infosys Springboard internship focused on software fundamentals and maintains consistent problem-solving practice on CodeChef. Currently expanding into backend architecture by developing database-driven projects using Java, JDBC, and MySQL.

SKILLS

Programming Language: C | Java

Tools: Netbeans | Github

Web Technologies: HTML

Soft Skills: Communication | Leadership | Team Collaboration

EDUCATION

B.Tech, R. C. Patel Institute of Technology, Shirpur 2024 – Present
CGPA: 7.7 | Currently pursuing (2nd Year) Course
• Computer Engineering

HSC Board, 2024
Indira Gandhi Madhyamik Vidyalaya & Junior College Dharangaon
Percentage: 86.17%

SSC Board, 2022
Indira Gandhi Madhyamik Vidyalaya & Junior College Dharangaon
Percentage: 92.20%

PROJECTS

Cinema Booking Application

- **Tech Stack:** Core Java, NetBeans (Swing)
- Developed a fully functional graphical user interface (GUI) desktop application for browsing movies, selecting seats, and managing ticket bookings.
- Structured application using OOP concepts like classes, inheritance, and event-driven handling for modular design
- Designed dynamic layout components and managed state to provide a seamless, interactive user experience.

SkillForge – AI-Driven Adaptive Learning Platform

- Built a full-stack educational platform using MERN stack and AI-assisted tools
- Integrated React frontend with Node.js/Express backend for seamless data flow
- Implemented MongoDB for managing user data and exam performance tracking
- Refined AI-generated code to improve functionality and system stability

CERTIFICATES

Learn C Programming
by CodeChef 

Learn Java & OOPs
concepts in Java 

TECH - CARVAAN 2026
Participated in Ai
Buildathon

ACHIEVEMENTS

Infosys Springboard – Internship 6.0 *ℙ*, Infosys Springboard10/01/2026

- Completed structured virtual internship program focused on AI-based learning systems
- Developed an AI-based adaptive learning platform (see Projects section)

Participated in District-Level Elocution Competition at Nandinibai Vamanrao Junior College Jalgaon

Adobe India Hackathon Participant

POSITIONS OF RESPONSIBILITY

Public Relations (PR) Member, Entrepreneurship Cell (E-Cell), RCPIT | 2026 – Present

Spearheaded promotional campaigns and campus outreach, significantly increasing student participation in entrepreneurial events, workshops, and hackathons.

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
